

Announcement of Maintenance Service Close

June 30, 2016

Dear Customer

Thank you for your continued business with our AOI.

We would like to announce that the maintenance service of the following machines will be closed on December 31, 2016.

- M22XCL-350 / M22XCL-450 / M22XCL-460
- L22XCL-350 / L22XCL-520

These models had been 12 years since production. Unfortunately, we have difficulty in procurement of spare parts and its repair service. As for fluorescent lamps, which are the main consumables, we have stocks for the time being, but production of these lamps, too, is going to be closed in the near future.

Under these circumstances, maintenance service of these machines will be closed with the request received by end of 2016. Any parts which will be out of stock before December 31, 2016, please note that we stop our service at that point without previous notice.

Sincerely yours,

Marantz Electronics, Ltd.
